

M.Sc. (Chemistry)

PROJECT TITLE

Note: Make any one (From Below Given List)

1. Analytical Study of Pesticide in Vegetables.
2. Determination of Iron (Fe) in different Water Sample
3. Determination of Lead and Cadmium in Lipstick & Shampoo
4. Removal of basic Dyes from Aqueous Solution using Ground Nut, Pee and Cow dung Ash
5. Studies of effect of Organic Fertilizers in Water Holding Capacity of Soil
6. Extraction and Study of Natural Acid Base Indicator from Acacia Nilotica Bark
7. Production of Bio-Fuel from Green Technique
8. Analysis of heavy metal containing and their effect in water sample of Gariyabandh (C.G.)
9. Air quality status in around industrial area Sirgitti, Bilaspur (C.G.)
10. Antioxidant activity and Vitamin-C Determination from some Fruit Juice.
